SASHES SPOOFS TRADING	<p>Please do not bring or wear Merit Badge sashes or OA sashes.</p> <p>Items such as "spoof" patches are not permitted. Please do not use these on your uniform.</p> <p>Most countries are "minimalist" in the patches they wear on their uniform.</p> <p>Many of our BSA youth and adults wear patches on every part of our uniform shirt.</p> <p>We are sometime called "Christmas Tree" scouts because of this extra decoration.</p> <p>If you plan on trading uniforms, the more patches the more desirable your uniform will be for trading.</p> <p>However, please understand that most countries won't have as many patches on their uniforms as you do.</p>
